

Is United States becoming like Sodom & Gomorrah?

WARNING: These following news clippings and images from the news may be perceived as disturbing.

The intent of this ebook is to shine a light and expose the evil encroaching into our society. This is not to sensationalize evil, but to uncover it and offer a strong warning to believers to be on guard against such evil. Christians are not to be “of” the world (Romans 12:2), but should be a light unto the world (2 Corinthians 4:4) and stand against the demoralization of society. Christians should unite and stand up for God and His morality while rejecting Satan, his followers, his false idols of the world, and his false and distorted morality.

Signs of a society in decline

- Removing Christianity, Bibles, and references to God and morality from society
- Discouraging and defunding law and order
- Allowing rampant drugs and crime and sex trafficking. (Example: Leftist lawmakers want the southern US border to remain open, while claiming that Ukraine needs a stronger border.)
- Rewarding criminals and encouraging lawlessness
- Punishing innocents
- Justifying harming and sexualizing children
- Encouraging perversion, unnatural relations, and sodomy
- Government authorities picking sides and choosing evil
- Claiming that bad is good, and good is bad
- Hating people, labeling, dividing
- Lying (Examples: lying about motives, lying about gender, lying about race, lying about age)
- Ignoring personal responsibility while blaming others. (Examples: US government spent \$30 trillion dollars that it doesn't have; those who discourage marriage and traditional family values)

Sodom and Gomorrah from the Bible

Sodom and Gomorrah were two biblical cities destroyed by God for their wickedness. They are mentioned frequently in the prophets and the New Testament as symbols of evil and perversion, specifically mentioned in Genesis chapters 18-19.

God sent two angels to destroy Sodom. Lot welcomed them into his home, but all the men of the town surrounded the house and demanded that he surrender the visitors that they may "know" them. They wanted to commit unnatural relations with them. Genesis 19:4-5.

Lot, his wife, and daughters fled the city, but those who remained were destroyed by fire and brimstone raining down from the sky. Genesis 19:24. His wife disobeyed by looking back and turned to a salt pillar, as mentioned in verse 26.

Sodomy is the term used in reference to the unnatural homosexual acts committed by Sodom and Gomorrah.

"And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;" Romans 1:28

Signs of a depraved society

These Shoes Contain a Drop of Human Blood. Nike Does Not Approve.

As a follow-up to its Jesus Shoes, the company MSCHF will sell 666 pairs of Satan Shoes in collaboration with the rapper Lil Nas X.

Virtue signaling

Who exactly are these Army soldiers allegiant to? Should citizens be concerned that their tax dollars are helping support anti-Christian worldly ideologies?

"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them." Leviticus 20:13

Are the FBI agents “proud” of the sin of sodomy that God hates? Would they still be proud if their grandma saw what they were doing? Would they still be proud if they knew God was watching them?

“For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:” Romans 1:26

Who are the FBI agents kneeling to? Is this an act of submission or worship towards something or someone?

George Floyd spent years in prison for various offenses including theft, cocaine possession, and armed robbery, but is now celebrated by many as a martyr and hero, with graven images erected in his likeness.

He was arrested for passing counterfeit money, appeared to be high on drugs, and unfortunately died while in custody. Despite the medical examiner saying the cause of death was a heart attack, that methamphetamines and fentanyl was in his bloodstream, and that he didn't die from suffocation, the death was blamed on racism and now an officer is in prison for murder. Police officers in high risk

situations are not immune to making mistakes, but is it likely that a long-serving police officer would one day decide to intentionally murder someone while on video and that political pressure had nothing to do with the trial's outcome?

States like California have released thousands of prisoners including those who have intentionally harmed and caused countless hardship on victims and families. Many are likely to reoffend and cause more victims, but leaders in society appear content with that risk. Meanwhile, society appears to be celebrating when officers go to prison and when police departments are limited and defunded.

How does the "woke" society choose who is worthy of compassion and who isn't? On one hand some have unconditional compassion for prisoners to be released, including mass murderers and rapists who intentionally committed horrific crimes. Yet on the other hand, they seem uncompassionate and heartless towards people that they assume intentionally committed a similar or lesser crime.

Tolerance is the last virtue of a depraved society. When an immoral society has blatantly and proudly violated all the commandments, it insists upon one last virtue, tolerance for its immorality. It will not tolerate condemnation of its perversions. It creates a whole new world in which only the intolerant critic of intolerable evil is evil. *Hutton Gibson*

The numbers are stark, worrisome and should set off alarm bells: 52% of all transgender and nonbinary young people in the U.S. seriously contemplated killing themselves in 2020. More than half

The bullies in society pushing their pro-trans goals believe that becoming “trans” is “good” for the person and for society while ignoring all the damage caused by it. These stats suggest that more than half after becoming “trans” want to kill themselves. The bullies are pushing people into it under the guise of it being “who they are,” while failing to consider that maybe it isn’t “who they are.” Some are taking advantage their vulnerabilities for political reasons. Many already have gender dysphoria disorder and those pushing them to change their identity may only add insult to injury. Many regret their “trans” decision and regret surgeries associated with it. Bruce Jenner is perhaps one of the more prominent people who publicly voiced his regrets.

I lived as “Laura” for eight years, but, as I now know, transitioning doesn’t fix the underlying ailments.

Studies show that most people who want to live as the opposite sex have other psychological issues, such as depression or anxiety. In my case, I was diagnosed at

Hobby Lobby Fined \$220,000 for Requiring Transgender Woman to Use Unisex Restroom

Male Veterans: Transgender Male Health Care

Transgender Veterans who identify as male face increased health risks and unique challenges in accessing quality healthcare. VHA strives to be a national leader in the provision of LGBT health care and assure that high-quality care is provided in a sensitive, respectful environment. Research shows that transgender identity is about 5 times more common among Veterans than non-Veterans. Many transgender Veterans receive care at VHA. The following is a list of the top things transgender male Veterans should discuss with their VHA healthcare provider.

1. COME OUT TO YOUR HEALTH CARE PROVIDER

In order to provide you with the best care possible, your VHA doctor should know you are transgender. It should prompt him/her to ask specific questions about you and offer appropriate health screens. If your provider does not seem comfortable with you as a transgender man, ask for another VHA provider. It's important for you to be able to trust your healthcare provider. Tell your provider about the medicines you have taken and the surgeries you may have had. If your providers know what has happened with you in the past, they will be better able to give you the best treatment today. Coming out to your providers is an important step to being healthy. For frequently asked questions about privacy, see [Your Privacy Matters](#) on page 3.

2. HORMONE TREATMENT

Talk with your VHA provider about hormone treatment. If you are starting hormones for the first time, ask about the things you need to watch out for while taking these medicines, as well as the blood tests you will need to be sure your testosterone dose is safe. Be sure to take the hormones only as prescribed by your provider.

3. MENTAL HEALTH

Depression, anxiety, PTSD, and other mental health problems affect transgender Veterans at higher rates than non-transgender Veterans. Transgender men may also experience chronic stress from discrimination. Living with this stress can

cause depression and anxiety and may also contribute to thoughts of suicide. Many transgender Veterans have suicidal thoughts and even attempt suicide. These problems may be more severe for transgender men who remain "in the closet" or who do not have adequate social supports. Culturally-appropriate mental health services for transgender men for the prevention, early detection, and treatment of these conditions should be available at your VHA. *If you are in crisis, please call 911, go to your nearest Emergency Room, or call the Veterans Crisis Line at 1-800-273-8255 (press "1" after you call).*

4. SUBSTANCE USE/ALCOHOL

Heavy drinking and substance use are common among transgender Veterans. Alcohol and drug misuse can lead to serious health, relationship, employment, and legal problems. Problems with drinking or drug use may occur in response to stress, and/or in combination with PTSD, depression, or other medical conditions. Fortunately, there are proven methods to help Veterans recover from alcohol or drug misuse, including mutual help groups and more intensive treatments. VHA has many resources to help Veterans (including transgender Veterans) and their loved ones, answer questions, find support, get treatment, and recover.

5. TOBACCO USE

Transgender Veterans use tobacco at much higher rates than non-transgender Veterans. Tobacco-related health problems include lung disease and lung cancer, heart disease, high

The US Department of Veterans Affairs appears to support transgenderism on its website and reportedly uses tax payer dollars to pay for transgender surgeries.

When we Black Americans see this flag we know the person flying it is not safe to be around. When we see this flag we know the person flying it is a racist. When we see this flag we know that the person flying it lives in a different America than we do. When we see this flag, we question your intelligence. We know to avoid you. It is a symbol of hatred.

Good morning patriots

Today I would like to speak to you about LGBTQ movement. I am deeply concerned for my child because this is being pushed on her face everyday, and we are doing nothing to protect our kids! Do you all want to know why they are winning this war? Is because they are not afraid to use every tool available to get their way, and meanwhile we are still waiting for a miracle...Yesterday while shopping at Target I realized that I have not been BOLD enough to defend my faith, and that my heavenly Father is probably sitting there waiting for his followers to start fighting for Him.

I decided it was over, and I will start demanding a whole month to be dedicated to Christ (Christmas is now celebrated as a "Holiday") , and I want to see his flag flying in every store!! I sure hope you all will join me.

God Bless you all.

Good and evil both increase at compound interest. That is why the little decisions you and I make every day are of such infinite importance.

The smallest good act today is the capture of a strategic point from which, a few months later, you may be able to go on to victories you never dreamed of. An

apparently trivial indulgence in lust or anger today is the loss of a ridge or railway line or bridgehead from which the enemy may launch an attack otherwise impossible.

- C.S. Lewis

“For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad.” 2 Corinthians 5:10

“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.” Romans 6:23

"And he said, That which cometh out of the man, that defileth the man. For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness; all these evil things come from within, and defile the man." Mark 7:20-23

“Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.” Acts 2:38
