Dear Friends,

March 19, 2019

**Greetings in His matchless Name!**

**This is just a brief note to THANK YOU for checking out my website. My former assistant pastor, Brother Rob Madden, has built and maintained this site for years – ever since my son Dean went to heaven. Now he has asked me to update it at least on a weekly basis. But with fewer meetings due to COVID (and my advancing age), I have more time on my hands and try to add sermons, news items, Bible lessons, etc. on almost a daily basis. Also after being my wife Shirley's caregiver for the last 10+ years I am now alone at home and have more time. She graduated to glory 2 years ago. I miss her every day!**

**The whole motive for this endeavor is to attempt to provide Bible information, sermon and lesson material on a free basis to act as a catalyst for preachers and Sunday School teachers especially. Of course I believe the information provided will help any Bible believer to grow by studying God's Word. Brother Madden has also added many Christian music videos, news items, Bible related information and even a few jokes for your pleasure.**

**If you find something there you disagree with, please be easy on me. I don't claim perfection, but I have been preaching and teaching the Bible since one year after I got saved in an Oliver Greene tent revival in Chester, PA in 1956 at age 22. All I ask is that you may benefit from whatever you find there and use it to our Savior's glory.**

**Sincerely in the Savior - Pastor Fedena**
